

LANIER HANDCRAFTED PENS

10 YEAR *Anniversary Edition*

Sheer artistry in *fine* writing instruments.

Every day since 2005 in Montara, California, a group of Master Craftsmen and uniquely skilled custom instrument makers work with a common goal in mind: to create the highest quality fine writing instruments and pen displays in the world. In 2016, these craftsmen guided by founder Jim Lanier will produce a stunning new array of writing instruments made out of a unique combination of Burl End Caps, Resins and natural Pine Cones. We are committed to offering you lasted innovations in look, feel and reliability as featured on the following pages.
